The following prices are as per the NDIS Pricing Arrangements and Price Limits Schedule valid from 01 January 2022.

Claiming for Establishment Fees for Personal Care/Participation Supports

These support items recognise the otherwise non-claimable costs that providers face in establishing arrangements with participants. They can be delivered to individual participants subject to the rules set out in this *NDIS Pricing Arrangements and Price Limits*

These support items are claimable by a provider who assists a participant with the implementation of their NDIS Plan, who has made an agreement with the participant to supply a minimum of 20 hours per month for three or more consecutive months of:

- **Personal Care Supports** - that is, supports in the Activities of Daily Living Support Category that are delivered by providers in the Registration Groups:
 - Daily Personal Activities (0107); or
 - High Intensity Daily Personal Activities (0104); or
- **Participation Supports** - that is, supports in the Social, Economic and Community Participation Support Category delivered by providers in the Registration Groups:
 - Participation in Community, Social and Civic Activities (0125); or
 - Group and Centre Based Activities (0136); or
 - High Intensity Daily Personal Activities (0104) when delivered for community access or group supports; or
 - Specialised Supported Employment (0133).

Each provider can only claim an Establishment Fee in respect of a participant once across all plans. If a provider delivers services to a participant through more than one Registration Group or more than one Support Category they can only claim for one Establishment Fee, and only if they meet the other requirements set out above. More than one provider is able to claim an Establishment Fee against a given plan as long as each provider meets the relevant requirements.

These support items are subject to price limits as set out in the following Table.

Community, Social and Recreational Activities

This support item is designed to enable providers to claim reimbursement for the costs of enabling a participant to independently engage in community, social and recreational activities when costs of participation exceed an affordable level and without, the participant would be at risk of social isolation. Participants may use this funding for activities such as camps, vacation and outside school hours' care, course or membership fees.

This support item can be delivered to individual participants subject to the rules set out in this *NDIS Pricing Arrangements and Price Limits*.

This support item is not subject to price limits. It should only be used to recover the costs of the participant's attendance at the community social and participation activities.

See page 15 for further information on how to claim for support items that are not subject to a price limit.
